## ASTRONAUT DAVE BROWN MEMORIAL MEET 2023

Dear Friends and Families,

Welcome to the 19th Annual Astronaut Dave Brown Gymnastics Invitational, held over two weekends in our state-of-the-art facility. This invitational hosts over 400 competing athletes, girls and boys, from Virginia and surrounding states.

Dave Brown was a gymnast at The College of William & Mary, who later attended the Eastern Virginia Medical School. After graduation, he joined NASA where he achieved one of the greatest honors — becoming a United States astronaut. Tragically, he was among the heroes who perished in the Columbia Shuttle disaster.

This meet was created to honor the memory of Dave Brown. He believed gymnastics could provide opportunities for true scholar-athletes to have personal growth, with an emphasis on excellence and learning.

On behalf of the athletes, families, coaches and judges of Virginia, we thank you for your consideration and help, and for joining us for this exciting competition and the celebration of accomplishments.

Sincerely,

Pete & Cindy Walker
